Dear Board of Directors,

The Parent Teacher Student Association (PTSA) is committed to supporting the teachers, students, parents and administrators of Lusher Charter School. We seek to ensure that each teacher's voice at Lusher is heard individually. We also believe that the students of Lusher are at the heart of all that our school achieves. As such, we are opposed to the Board of Directors' voluntary recognition of the United Teachers of Lusher.

Parents at Lusher have enjoyed a long and fruitful partnership with our teachers and administration. Together, we have created an innovative and top performing school, where students thrive. We are committed to supporting each and every one of our teachers in this ongoing partnership. Please ensure that each of our teachers can express his or her voice through a federally supervised ballot election.

Sincerely,

Parent Teacher Student Association Board
